INDUSTRIAL SIGNAGE

CONVERGE

WHAT IS INDUSTRIAL SIGNAGE?

- It's a means of communication available to the factory or industrial complex for the following:
 - Branding of the facility.
 - Provide an aesthetic and visually appealing setting for visitors and workers at the facility.
 - Visual Wayfinding for visitor and workers.
 - Visual safety communications for safety of visitors and workers.
 - Compliance with statutory safety guidelines both corporate and governmental.

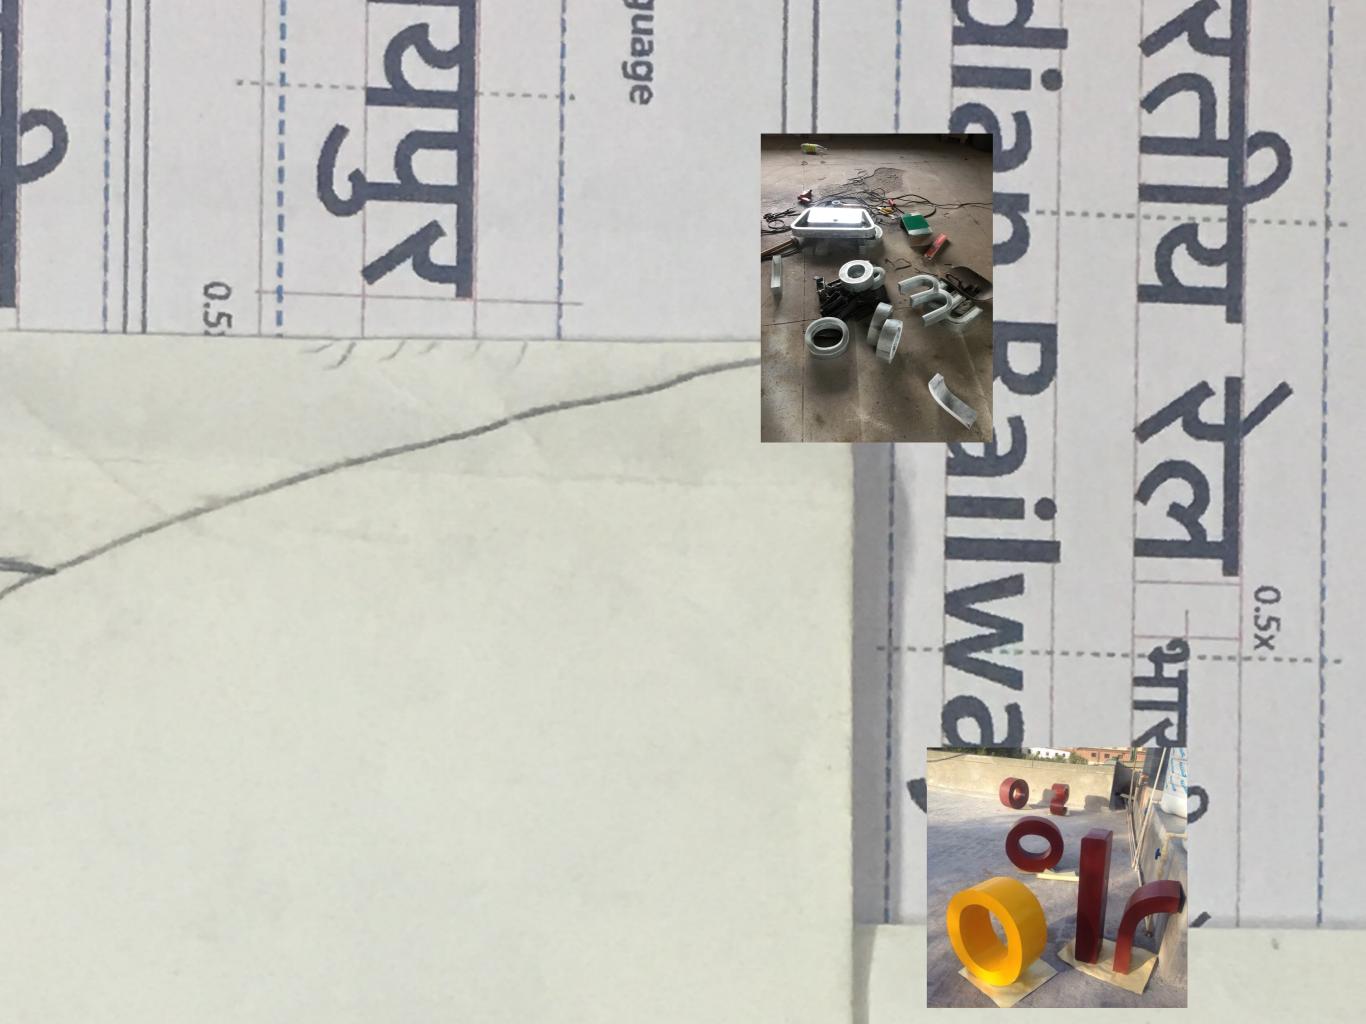

OUR INTRODUCTION

- Converge started doing industrial signage in year 2001, when we were requested by HUL to do their model benchmark factory at Bhimpore, from there on we went on to do Industrial signage work for most MNC and government clients present across India.
- Along the way we have incorporated learnings from our clients as well as Indian and International sign standards like OSHA, ES,BIS, British safety council etc.
- CONVERGE is registered under MSME and NSIC as micro industry and is eligible for facilities as per government rules.
- CONVERGE is ISO 9001:2008 compliant and rated SE3B by Dunn & Bradstreet.
- Registered under EPFO and ESI for workforce compliance as per Indian laws.
